

### **Visitation Fact Sheet & Policy**

1. Visitors who have a positive viral test for COVID-19, symptoms of COVID-19, or currently meet the criteria for quarantine, should not enter the facility.
2. At arrival, visitors will be asked to come into the front desk area where they will be screened.
3. Any visitor who is symptomatic will not be allowed to enter the facility.
4. Visitors must wear a personal face mask at all times (inside and in the designated visiting areas). The face mask must cover mouth and nose and be worn for the entire visit. Face mask may not be pulled down at any time. Face masks will be provided for anyone that doesn't have one.
5. Hand sanitizer is required for use and is available at screening desk.
6. Visitation can occur in visitation room, all community areas, or outdoors.
7. All visits will be monitored by a staff member from a distance.
8. Please be aware that any physical contact is a risk to yourself and the residents.
9. Sorry, no pets at this time.
