Message from the Administrator

HAPPY APRIL!

It is so lovely to see the sunshine these past couple of weeks! I hope that this nicer weather is starting to lift your spirits and put a smile on your face.

We are very thankful for the new staff that have joined us these past couple of months and look forward to adding more. This is a trying time in the healthcare field, and we remain grateful to all of our staff and the way they care for our residents each and every day.

As many of you have noticed, our building is filling up with many new residents. This is an exciting time at The Falls Home and we look forward to working together with each of you to continue to make this your home.

I hope you enjoy the warmer months headed our way, and that you can breathe in some fresh air in our beautiful area.

Have a wonderful Spring!

Julie Everhart

Message from the Activity Director

I am settling into the role as the new Activity Director and feel blessed to be a part of the lives of the residents. Over the past couple of months we have had fun in-house with crafts, happy hour, live music, baking, games, a pet visit, shopping and Irish Dancers! We have hired an Activity Assistant and I am looking forward to having a partner to bring many more exciting and fun activities here at The Falls Home!

Message from the Case Manager

Spring has sprung and it is time for some spring cleaning! Don't worry, we're here to help. If you would like assistance going through your belongings, please do not hesitate to ask. Someone would be happy to help go through closets, paperwork, and anything else that may be getting cluttered.

I know that we're all excited to be outside in the fair weather, however I wanted to take a moment to remind everyone to check in with the front desk when leaving and entering the building. It is extremely important that we know who is out of the building.

New Residents to The Falls Home

Richard Greco

I came to The Falls Home in March. I was born in Rochester, NY but grew up primarily in Webster, NY. I have a small family and never married. I am fond of animals, but favor cats and kittens. I enjoy spending my time listening to the radio,

watching "old tv" shows like Andy Griffith and I used to collect metal cars.

David Ross

I was born in Corning, NY and was living in Towanda, PA prior to coming to The Falls Home in March. I have (2) kids and (6) grandchildren. I enjoy baseball, playing cards and listening to 70's-80's music. A fun fact about me is that I used to collect

toy soldiers.

Louise Guiles

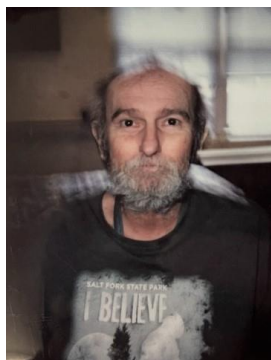

I came to The Falls Home from the Bath, NY

area. I come from a large family with many siblings but the family is spread all over. I am happy watching TV shows like the Golden Girls and love stories. I love animals and enjoy Country and Rock and Roll music.

A fun fact about me is that I used to go fishing and enjoyed it so much!

George Hetrick

I was born in Elmira, NY and came to The Falls Home in February. I lived in Horseheads, NY prior to coming to The Falls Home, but lived in South Carolina for 15-16 years. I worked hard as a locksmith for years and was a member of the Moose Club. I enjoy watching "old tv," game shows like Jeopardy, and listening to Rock and Roll and Country music.

Kathy Wipfler

I came to The Falls Home as a stepping stone to return to independent living. I have a daughter and (3) grandchildren. I have a love for sunshine and was living previously in Florida and spent a lot of time at the lake house on Keuka Lake. I also enjoy dogs and have worked as a substitute teacher,

Principal and even as a Girl Scout Leader!

New Staff

You will see some new faces in the building as we continue to hire new team members! Be sure to extend a warm welcome to them and others as they become familiar with you and their new position. We are happy to welcome the following new staff:

Housekeeping: Ravyn McIlwain

Dietary: Chelsie Hopper

Housekeeping: Julia Slater

Dining Note

We are joyfully coming up on the Spring/Summer Seasons which means the Dietary Department will be changing their menus from Fall/Winter to Spring/Summer starting May 1, 2022.

It is the start of the Grilling Season as well as Cold Salads, Lemonade and Cold Sandwiches.

The Food Committee Attendees gave their input for some new menu items and any other changes that were wanted. It is always our pleasure to serve and do our best by our residents and staff.
