Hello Residents!!

I hope you are enjoying the start to Summer. We are so blessed to live in such a beautiful area! I see that many of you are enjoying the outdoors and taking advantage of our quaint little town. I trust that the next few months will be refreshing to you all.

I want to thank you for your patience as we continue to hire new staff in our building. We are striving always to bring you the best possible care. Have a wonderful summer and enjoy every moment!

Note from the Activity Director

Time flies when you are having a good time and the months seem to come and go so quickly! With the summer months upon us I know that many are eager to get out and do more in the nice weather. I will continue to try and schedule an outing each week and will do my best to vary what we get out and do.

Please stop and see me to share any fun ideas you have for activities. My thoughts for the summer are to get outside and enjoy the nice weather!

Message from the Case Manager

Hello Everyone.

I hope you are all enjoying the Summer air! Remember not to over-do it on hot days and make sure that you are drinking plenty of water.

Also, please remember to be kind to each other and to staff during these hot Summer months. We are looking forward to our annual picnic and other fun summer activities that are coming up.

- *Sarah Paul*

Dining Note

I am very happy to be welcomed by each one of you. There are a lot of new faces when you come to the dining rooms, and we are all here to help you with whatever we can. There will be flyers around the building to remind us 😊. Have a wonderful summer!

Karen Hadley

I came to The Falls Home the end of May from Dundee, NY. I was married and had four boys. I like to read and am very social and enjoy just getting together with others. I attended Keuka

College and worked as a Social Worker. Since I have been here at the Falls Home, I have been very involved in activities and spend most of my day just laughing!

Betty Holden

I came to The Falls Home in early May from Ithaca, NY. I was married and have two children. I am blessed with grandkids and even great grandkids! I worked as a Teacher Aide at Spencer VanEtten School and was active in volunteer work. Since I have been at The Falls Home I have gotten into small groups for Bingo, crafts, and music gatherings. Fun fact about me is that I used to Square Dance regularly!

Frank Green

I am the newest resident and arrived early June from Bath, NY. I never married and have no children, but I have a big family with six siblings! I enjoy watching education shows, love cats and enjoy vegetable gardening. Since I have been at The Falls Home, I have found myself playing cards and Bingo!

I came to The Falls Home in early April from the Elmira area where I was born. I am married and have a son and other family who are local. I worked in an administrative role and enjoyed my job. I lived at home with my shepherd dog. I absolutely love working on puzzles and since I have been here at The Falls Home I have worked with others and put together MANY puzzles!
